Dear Anne Marie,

This letter is in response to your letter dated October 26th, 2004, referencing the the October Quarterly Report (8/19/04 - 9/30/04), for the Committee To Re-Elect Trent Franks To Congress (CDD36711D).

Please find ammended report correcting the errors outlined in your letter.

In regard to the excessive contribution for Kevin Ring, the committee re-designated by presumption the excessive portion of the contribution for the General election cycle. The contributor was notified by letter of our presumption to re-designate the funds. In the letter it states that if the contributor disagrees with the committee, they may request a refund of their contribution. This letter was sent out within the 60 day period of the receipt of the contribution.

In regard to the excessive contribution for John Rawling. On August 27th, 2004, our committee filed a Form 11 in response to the Form 10 filed by our opponent (Rick Murphy). The calculation of Opposition Personal Funds Amount (\$428,725.18) determined in our Form 11 that the individual contribution limits increased to three times the applicable limit. Please note that on our Schedule A, under the dollar amount for John Rawling, the box is checked that indicates the limit increased due to opponent's spending. Please let me know if that needs to be disclosed in any other capacity.

In regard to the missing 48 hour notices for Dorothy Emerson, American Dental PAC, DEPAC, John Weber, Smurfit-Stone PAC, and Servicemaster Good Government Fund, the dates reflected on our Schedule A represent the date on the individual checks, not the date that they were actually received. All of the contributions above were received in our office after September 5th, 2004. Therefore, a 48 hour notice was not filed by our committee.

In regard to the 48 hour notice from ORBPAC. The contribution was not entered into our databse. Only the 48 hour notice was filed. This was an oversite on the committee's part. It has been corrected as shown on the ammended report.

In regard to the beginning cash balance of this report. It has been corrected as shown on the ammended report. Our Pre-General report has also been ammended to reflect this correction.

Thank you, Anne Marie. Please feel free to contact me should you need any further clarification.

Most sincerely,

Lisa Teschler
Treasurer
